Weather started of dull then quickly changed to a very sunny day, all archers shot an excellent round and congratulations go to Steven Wishart, Tom Cooper & Murray Britton for their first 'A' Class score. The day was finished off with refreshments and a special cake which was made by a local bakers and depicted the Forest Spirit Archers logo on it to celebrate the opening of our new 28 Target Course. A sincere thank you to all club members who helped with building our new course and for helping on the day of the shoot.
