The Delegate  
Scottish Field Archery Association

Hello Phil,

## **WORLD FIELD ARCHERY CHAMPIONSHIPS 2010**

It is generally expected that the interest in the World Field Archery Championships in Dahn, Germany, will be very great.

The WFAC2010 will be hosted on five ranges only, allowing therefore a limited number of archers to the event.

The event is a world event and we hope to get representation from all our members over the world. As mass bookings are expected, especially from Germany, the matter was discussed with the European members at the 2009 Europe meeting and we have taken the following step to prevent the event from becoming an "all German" or "all European" event:

The Host has allocated a certain number of places for your member archers and will allow pre-registration until 17 July 2009.

On 15 August 2009 the registration will formally open to all archers on a first come and first serve basis.

**[There are twenty five \(25\) places allocated to the SFAA for pre-registration.](#)**

Pre-registration fees are Euro 140 for Juniors, Adults & Veterans and 80 Euro for Cubs, from 15 August 2009 they will increase to: Euro 160 for Juniors, Adults & Veterans and 100 Euro for Cubs

Please inform the members of your association and give them a chance to register. After 17 July registration may no longer be assured.

Please contact the DFBV (German) Delegate, Ulf Trabert at [vizepraesident@dfbv.de](mailto:vizepraesident@dfbv.de) for further information.

Kind regards,
