DANIEL MELROSE	AMFS (C)	JUN	378	WEST LoTHIAN ARCHERS

Many thanks to all archers who attended our shoot today, the rain did ease off early in the morning, but the wind was very challenging, everyone finished and some had a very good day, Bill Douglas shot his personal best score and gained a 20 pin! Sincere thanks to Anne and Andy for the excellent catering, Jim Jessup for his fabulous lentil soup and Anne for her delicious sausage casserole it all went down a treat. Special thanks to all members for helping set-up and clear away.

Subject: Hunter Shoot 9th October

Dear All,

I would like to thank you for putting on the shoot and going ahead, despite the fears of the weather. It was a good day out with fellow archers in good spirits, food and atmosphere. I do enjoy shooting at the course as it has challenges to meet all archers capabilities. I would have liked to shoot at the course, sometime through the week but the gate into the car park is padlocked and because of this I did not feel it right to enter the course.

Oh well I will just have to wait until next year when I look forward to attending more shoots 2012.

Thanks Once again

Kindest regards

Bill Douglas.

P.S.

would it be possible to get the distances for each target on the hunter course for my personal records?
